

Fork Mounted Sweepers

This particular accessory makes industrial sweeping jobs much easier to finish. The versatile lift truck mounted broom is meant for use with either wet or dry material clean ups. It can push snow and squeegee water without problems. This particular attachment is usually utilized in order to clean debris from construction sites, docks, parking lots, warehouses and almost anywhere it is needed. The lift truck sweeper is a low maintenance attachment which uses quick-tite fork products to easily connect to the lift truck.
